Purpose: To allow current junior members limited flexibility in altering their choice of clubs for which to play.

The Bayou RVA junior transfer policy:

1. Junior members may change clubs once during a USAV season.
2. Any change of clubs must be confirmed by February 15th of the current season
3. The transfer must be requested by the junior member's adult custodian
4. The transfer request may be accepted or denied by the original club affiliate.
 - a. If accepted, the junior member may then choose to be "undecided" (without a club affiliation) or accept an invitation to affiliate with another club;
 - b. If denied, the junior member may appeal but may not participate with any other club until the appeal has been adjudicated.
 - c. Requests to change clubs prior to January 15 of the current season may be done so without the original's club approval
 - i. Any contractual obligations must be negotiated between the member and the original club
